[SUPPLEMENTAL LIST]

DIRECTORY OF FOREIGN IMPORTERS

REPRESENTATIVE IMPORTING FIRMS IN RUSSIA

Compiled by the Commercial Intelligence Branch.

Published by authority of SIR GEORGE E. FOSTER, K.C.M.G., M.P.

Minister of Trade and Commerce.

OTTAWA
GOVERNMENT PRINTING BUREAU
1915.

INTRODUCTION.

The supplemental list to the Directory of Foreign Importers presented herewith is intended to render available to Canadians the names of representative firms in Russia who are likely to be interested in opening up connections with Canadian sources of supply. These names were compiled with the assistance of British consuls and others familiar with the details of Russian trade. A more comprehensive list will be prepared when Mr. Just and Mr. Wilgress, recently appointed Canadian Trade Commissioners to Russia, take up their duties at permanent posts in that country.

It must be understood that the Department does not guarantee the financial standing of any of the firms mentioned in the directory. It may be assumed that these firms are open to form business connections.

This supplemental list should be filed with the revised edition of the Directory of Foreign Importers, copies of which may be obtained on application to the Department of Trade and Commerce, Ottawa.

R. GRIGG,
Commissioner of Commerce.
